Guilds

Aeronautics Flies High

Would you like to "fly high"? Then the Aeronautics club is where you should have been. The members met weekly to build and fly model airplanes and rockets. Under the sponsorship of Mr. Wayne Rogoski, the club planned the "Bong" meet and flew the "Polock II", their nine-foot rocket.

RIGHT: AERONAUTICS: BACK ROW: T. Fez, B. Miller, D. Novak, M. Homer, M. Issen. ROW TWO: D. Smith, K. Bible, S. Levinthal, Mr. Wayne Rogoski. ROW THREE: E. Klineberg, D. Alpern, R. Widen. BELOW: R. Widen and D. Novak prepare one of their models for flight. BELOW RIGHT: S. Levinthal and E. Klineberg study an aerodynamics pamphlet.

Apathy Boasts Popularity

This year's Apathy club boasted eye-boggling attendance figures of over two thousand. In its second year, the Apathy club had many new faces, as many of last year's members graduated. Chairmen Randy Sheridan and Alan Kaplan led the club in many apathetic activities, including loitering in the halls. The chairmen claim such a high membership for one reason: since no one shows up to any meetings (if one does show up, he is expelled from the club), everyone is a member.

Kaufman, S. Terrazas, Ms. M. Hoffman. RIGHT: N. Kaufman uses proper techniques while demonstrating her talent.

Leonardo da Vinci and Rembrandt probably didn't have an art council at their high schools. But Niles West does and they were kept busy this past year. New equipment was purchased, and under the sponsorship of Ms. Marjorie Hoffman, the club members spent their time participating in sculpture contests, making and selling greeting cards, and entering the Illinois Bell Telephone contest to design a phone book cover. The members met these challenges with much creativity and enthusiasm.

Instrumentalists Entertain on Tour

The Niles West Concert Band was a group of talented musicians who performed at the Holiday Festival and the May Festival. Under the direction of Dr. Charles Groehling and President D. Kagen, the group rehearsed for these concerts and developed their skills. The highlight of the year was a trip to Detroit and Cleveland in February. The group performed in these two cities as part of an exchange with other high schools, and went sightseeing.

Activities Board Brings Enjoyment

The Niles West Student Activities Club did a quite excellent job this past year organizing many of the school's functions for students. Sponsors Larry and Nancy Erickson led the group to organize such activities as the many phases of Homecoming, including the Queen elections, the pep rally, and the dance. Later on in the year, the club sponsored the Valentine's dance, and the sock hop after some of the varsity baseball games. The students here at West thank the board for all the enjoyment they have brought.

Hard work, guts, plenty of practice, and teamwork. Did you ever think that cheerleaders needed all that? Well, they do. The eight Varsity cheerleaders worked out two times a week from 2-4 o'clock practicing. Under the supervision of Ms. Marjorie Hoffman and squad captain Leslie Todd, the girls cheered at the football and basketball games, and led the Indians on to glorious victories.

The meetings were held 10th period in room 322, where our team "crowned" and got "crowned."

Choir Sings To Community

The Niles West Concert Choir helped students to use their talented gift of singing. This group, consisting of both boys and girls, performed their vocal talent throughout the year. The choir led by sponsor Hugh McGee, who was also the conductor, went to sing at the Holiday Festival, the May Festival, and Kiwanis Club programs, and, with their talented pianist Ira Levin performed their own February concert with their usual professional touch. President Edwina Motyl led the group in touring junior high schools and singing welcomed performances.

Reel To Reel Combat

Members of the Computer club provided expert advice on all aspects of the computer. With the help of sponsor Mr. Ray Bentsen, President Barry Arons, Vice-President Keith Bible, and Secretary-Treasurer Curt Dinse, the club succeeded in extending the knowledge of computer programming and data processing to the Niles West student body. Their activities included: holding monthly computer workshops, developing a program to handle the science fair organization, and demonstrating computer techniques during open house.

Debate Acquires New Coaches

A transition was made in the coaching staff of debate. Rick Harrow was appointed head coach of the team. Assisting Rick were a former Niles Township debator, Howie Goldstein, and a championship debator from Houston, Ken Marks. Composed of two-man teams on three levels, Varsity, Junior Varsity, and Novice, the team competed in interscholastic tournaments throughout the year.

The World Visits West

Have you ever wondered if high school students in other countries of the world get referrals or if the food in their cafeterias is just as bad? If you have, join up with the International club. The members in the club talk to foreign exchange students that visit Niles West. The special projects the club do are very interesting and educational. They invite students and other visitors in the International Foreign Exchange Program to visit West, so they and the rest of the student body can enjoy and learn how it is in other countries.

President Mark Schreier, vice-president Judy Zunamon, and secretary Carol Krause, with the help of sponsors Mr. George Brink and Mr. Peter Zorn, worked together with other members to create the 3rd place float. The club worked in harmony in other events such as having their own Oktoberfest and Christmas party. They also showed their athletic abilities in their co-ed soccer and bowling games. Another big event was their field trip to German town in Chicago to see and learn the German culture.

Guard Club Drowns Out Cry

Gulp! Help! I'm drowning. Thousands of people, many of them youngsters, cry out this familiar saying as they take their last breath before sinking because they can't swim. Could this happen to one of your younger brothers or sisters? Why take a chance. Learn to swim. On Saturdays throughout the year, the Guard Club ran a learn-to-swim program for the younger kids in the community. Captains Lynn Carlson and Kathy Dutt along with sponsor Mr. Carl Geis organized this swim program and a free swim program on Wednesday with the Guard Club acting as life guards.

In addition, the girls were given opportunities for individual demonstrations. The team provided demonstrations at various junior high schools, during home football games, and produced their own show in the spring.

Niles West Gets One

Duke Ellington had one, and so did Benny Goodman. But for the first time, this year Niles West has one. What is it, a trumpet? No, it's a jazz band. The era of the big bands is over, and so are the great jazz bands of yester-year, except for a few. Despite this, the music department has added a jazz band, consisting of the top trumpet, saxaphone, and other instrumental students at West.

N-Club Reorganizes

The Niles West N-Club was a club responsible for running the concession stands during football and basketball games. To be eligible for consideration by N-Club, athletes were required to earn their major "N", which was given to an outstanding athlete competing on the Varsity level. Once the "N" was awarded, a series of initiation stunts must be passed by the prospective member. At the conclusion of these stunts, the athlete received his membership card. The club was promoted by Mr. David Schusteff.

Pacesetters Time Meets

Through rain, hail, sleet, and snow . . . No, it's not the mailmen, but the Niles West Pacesetters. These girls worked hard in all kinds of weather timing track meets. Led by club officers Ellen Arendt, Joan Bauer, and Lisa Lapinski, the girls also cheered the runners on to victories.

Was there a Steinbeck or a Sandburg hidden in you and you had nowhere to display your talents? If you answered the above question yes, then Opus I was for you. Sponsored by Ms. A. Graham, the students on the staff gave you their pages for your masterpieces, and put them in the Opus I magazine.

Orchesis Expressive

Express yourself with dance but don't read a note. Over 50 members did just that in Orchesis, Niles West's dance company. Whether it's ballet, modern, tap, or jazz dances, Orchesis members showed their "real selves" through the motions of dance. Under the sponsorship of Ms. Josie Berns and Ms. Karen Shankman, and the leadership of President Kathy Kohrman, Vice-President Linda Axelrod, Secretary Heidi Pollyea, and treasurer Rita Maron, the members performed in Pow-Wow, and produced their own dance show in February.

Orchestra Goes on Tour

This past year has been a very exciting one for the members of the Orchestra. Of the many things they did, going on tour with other band groups from West was probably the most exciting. They played in contests in Cleveland and Detroit. Outstanding conductor this past year was Mr. T. Kaitchuck.

Something Different

Something completely different? A yoga club? Save the skin for Telly Savalas? No, it's the P.A. club. These three girls enlightened the boring doldrums of homeroom with their snappy remarks and openings such as, "And now for something completely different" along with the musical ringing of the bell. These girls: Sandy Beyda, Marthe Gump, and Barbra Weil tell the days' anouncements to the attentive populace of students at West while they enjoy homeroom. What would we do without them? Not know what's going on at West.

Pom-Pon Provides Spirit

Plenty of practice, talent, but most of all, energy and enthusiasm were the basic requirements for this year's Pom-Pon squad. Under the sponsorship of Ms. Kathleen Bentsen, and co-captains Robin Neiberg and Mary Ellen Hentz, the girls performed their routines at all home football and basketball games. Their routines included: "Puff of Smoke", "Crocodile Rock", "Then Came You", "Beginnings", and the Niles West school song. Their teamwork and spirit helped inspire the Indians to victory.

Pets and Wildlife Club Initiated

Cats and dogs were more than just pets to the members of the Pets and Wildlife club. For the first year, interested students banded together to discuss topics of concern pertaining to animals. Under the sponsorship of Mr. David Lee, the club viewed films, listened to guest speakers, and maintained fish tanks in various classrooms.

They learned a great deal of first-handed leadership by leading gym classes. Mrs. Arlene Mulder led the girls in their activities. Such activities included fund-raising candy sales and sock sales to earn money for their annual weekend campout.

SRA Informs Students of Rights

Trying to gain more rights and privileges for students was the goal of the Student Representative Assembly, SRA. New administrative positions were added: President — Heidi Garland, Vice-President — Marcia Goodman, Secretary — Hope Saidel, Parliamentarian — Sima Issen, and Treasurer — Rob Rubin. These officers, along with sponsor Mr. Gerald Boevers, led a representative from each homeroom in making decisions concerning the rights of students. SRA proposed such ideas as abolishing freshman orientation and not requiring parental signature on a student appeal. In addition, SRA met with the student governments of North and East to improve communications between the three schools.

Co-editors Hope Saidel and Randy Sheridan did an outstanding job in the production of the yearbook. They were aided by the 6 section editors. They were: Fran Fishbein, clubs; Andy Borovik, special events: Gayle Rosenthal, Dave Freedman, and Jim Shapiro, sports; and Marla Fine, faculty. A new section has also been added to the yearbook — art. The staff of Steffi Newman and Steve Stein donated many creative and original works of art to the yearbook.

The Niles West Stage Band was a small group of highly skilled musicians who played contemporary music. Stage Crew Did It!

What's it like to be behind the scenes? The stage crew knows the answer to that. They were behind the scenes at Pow-Wow, Holiday Festival, and other school productions. They were the ones behind the spotlight, and you couldn't have heard those terrific solos without the stage crew. Meeting backstage or on stage, they worked it out to make those shows just right.

Students Probe Israel Is Real

The students for Israel club this past year proved that Israel is real. Of the many activities they did, the most important was the Israel table they had after the United Nations voted to equate Zionism with racism. The club had many students sign petitions against the vote by the U.N. With the help of sponsor Mr. Hoffman, the club did other activities such as having their tafty apple sale, and went to such field trips as to the Civic Center to protest the vote of the U.N.

This past year, the Thespians hosted master hypnotist Edward Baron and Second City to raise money to go to the International Thespian Society Conference in Muncie, Ind. Only five schools in the world were requested to present a production. Sponsor Mr. R. Johnson, President G. Adilman, Vice-President S. Slein, and secretary S. Tabloid Format Renewed

The 1975-76 volume of West Word provide the West populace with the best news coverage of school and community events in the past few years. The tabloid format, discontinued three years ago, was reinstated this year, as it was economical, space saving and aesthetically appealing. This year's Varsity Football Team under the supervision of Coach Don Huff, had a fair season, winning four games and losing five. The team didn't do as well as they expected, but the players had good attitudes and always put forth 100% effort. Most of their success was due to the intelligence and spirit of the players. The team's co-captains were B. Weibel, M. Medwed, and M. Erickson. The outstanding players who also made all-conference were C. Hajduk, M. Harris, M. Medwed, M. Erickson, and J. Dulleck. P. Individuals Shine On Soph. Team.

Lack of size and speed kept the Sophomore Football Team from having a more successful season. The team had a disappointing final record of three wins and six losses. The level of competition in the conference was excellent and the team placed fifth. The team had many outstanding players including B. Deleonardis who lead the team in tackles. T. Cullota did a fine job playing both offense and defense. J. Coursey was an excellent quarterback, and J. Dibasilio did an excellent job as a running back. C. Closure was the outstanding athlete of the team. Although the team didn't have a superior record, all the players on the team was fine athletes and had good attitudes.

Freshmen Learn Varsity System

Although the Freshmen A and B Football Teams had a disappointing combined record of three wins and 11 losses, they were the fastest, biggest, strongest, and easiest teams to work with in five years. The A team came in fifth in their conference, and the B team placed sixth. The conference they played in was the best in the state. R. Casper, J. Olander, J. Osmolik, C. Grenda, S. Edwards, and C. Erickson showed outstanding ability. The major reason for the team's disappointing season was the fact that they were learning the Varsity offensive system. The team was not able to perform the complexity of the Wishbone-T that well, but gained much knowledge in the process.

Varsity Tenacious

Tenacity was the key word for the 1975 Varsity Soccer Team coached by John Burkel and Bill Schnurr. The highlight of the season was a comeback, overtime victory over state ranked Maine West. The team's final season record was 8 wins and 8 losses. The solid defense was led by co-captains M. Niles and L. Edington. Niles and Edington were also selected as all-conference players. The offense was led by another all-conference member, F. Zeedyk. Zeedyk scored 12 goals, the third highest production in Niles West history. Other team stars included G. Spitz, J. Haupers and team M.V.P. J. Mueller.

Unfortunately they were eliminated early in the Soph Tournament on penalty kicks. The team included many individual stars, who showed fine ball control ability. The team had 3 M.V.P.'s B. Porter, P. Piro and D. Edington. P. Piro was the team's leading scorer with 10 goals. The team's staunch defense was bolstered by fullbacks R. Scheingold and P. Travlos, with excellent goalie performance by R. Sauer. The team did not exhibit total team play until the end of the season, when they combined their individual talents into a team effort.

Runners Finish 12-7

This year's varsity Cross Country Team, although enthusiastic and hardworking, had its problems. Coach Pat Savage felt that the major problem was a very small turnout. Despite the small turnout the team ended the season with a good record of 12 wins and 7 losses, capturing victories in major meets. The team was led by Ron Richman, Rick Fairley, and Capt. and M.V.P. Tom Zoros.

The Frosh-Soph Cross Country Team did not fare as well as the varsity team, with a final record of 2 wins and 12 losses. The team was led by A. Wegener and Scott Noren and included Diane Kondratowicz, who was the first girl to compete in boys athletics at Niles West.

They placed third in districts, enough to qualify for the sectional tournament, but they were not able to advance. The team was led by most valuable player D. Rosenberg, and co-captains B. Kellman and G. Missner. Even though the team had a middling record of six wins and six losses, Coach Fabri felt they were enthusiastic and tried hard.

Swimmers Host Individual Stars

The 1975-76 Girls' Swim Team had a disappointing season. The team was coached by Ms. Sharie Kouba and Mr. Glenn Anderson, Along with diving coach Carl Geis.

Many swimmers turned in excellent performances. Some of the bright spots were seniors Susan Springborn, Peggy Lovelady, and junior Joy Cameron, all of whom competed in the Conference Meet held at Glenbrook South. Joy Cameron, Peggy Lovelady, and the medley relay team of Reta Krozel, Jody Frank, Joy Cameron and Peggy Lovelady captured awards helping Niles West to a sixth place victory.

In the District Meet the girls took ninth place, beating out five other schools. During that meet Joy Cameron and Peggy Lovelady qualified to swim in the State Meet at New Trier.

Girls Place In Conference

The 1975 Girls' Tennis Team, coached by Arlene Mulder, looked impressive. The biggest problem was the high level of competition they faced. There was a change in the conference, which brought in two new teams. As a result, our squad finished third in conference behind the two new teams. The squad was led by seniors J. Hecktman at third singles, J. Bernstein at fourth singles, freshman H. Bland at second singles and the doubles team of L. Callner and M. Mostacci.

The Varsity Basketball Team had a brilliant 23-5 record this season. The team advanced as far as the super sectionals in the state tournament, where they were defeated by Loyola. This included many individual stars. B. Zyburt was selected as an All-Area player, and top player in the conference. J. Bruner was chosen All-Conference and M. Fabian received an honorable mention. T. Arns and D. Schmidt also had outstanding seasons. The team was hampered by a mid-season injury to J. Ekenberg, who did not return until the sectionals. Coach Schnurr attributed the team's success to an excellent inside offense, which was complemented by great outside shooting. They also played tenacious defense. The 23 wins were the most by any team in the League's history. The team also had the best field goal and free throw shooting percentages in Niles West history.

Sophs Miss the Basket

Lack of size and quickness were the major reasons for the Sophomore Basketball Team's disappointing season. The team, coached by Gene Earl, posted a dismal 2-19 record. The players also lacked speed and shooting ability. S. Sandroff was the team's top player but was injured after twelve games. C. Straka also had an outstanding season. He played consistently well in every game.

This year's Freshman A Basketball Team had much individual talent. The problem was they could not put it together as a team. The team, coached by L. Miner, ended the season with a 2-14 record. The outstanding players on the team were R. Reichert, C. Grenda, and B. Hendley. The B Team fared somewhat better, ending the season with a record of 5-11. The team played good defense, but did not include any outstanding shooter. They did show much improvement throughout the year. The team was led by scoring leaders B. Byk, and M. Handzel. Guard E. Levey played well also.

Varsity Posts 10-4 Record

This year's Varsity Gymnastics Team posted a ten win and four loss record. Coach John Armour felt that a record was not the only thing to base a season on, and that all-in-all the season was good. He felt the team worked hard and was easy to coach. The squad was led by G. Spitz and P. Fisher. The latter was League champion on the still rings.

Lack of enthusiasm and participation were this year's Sophomore Gymnastics Team's downfall. Few boys tried out for the team and even fewer took part in the practices. The two best sophomores were D. Goone and D. Todd who went all-around. Their league record was three wins and four losses, but varsity Coach John Armour felt that the few people he will be working with next year will perform better.

"Record Breakers" Do All

This year's Freshman Gymnastics Team was affectionately called the "Record Breakers." G. Pockrandt and B. Fox led the squad to its first undefeated season of 12 wins and no losses. Both boys went all-around and between them, they hold four of six records, the other two records are held by D. McLean and J. Solomon. Coach John Burkel attributed the undefeated season and the broken records to the team's super spirit, hard work, and the fact that they enjoyed practice.

Bart is All-Around

Bart Conner is the premier amateur gymnast in the United States. He is described by Coach John Burkel as being "a craftsman, who carves away at his work until he is satisfied and then performs it". Plato once said that gymnastics is the link between art and athletics, and according to Coach Burkel, Bart has proven this to be true. Bart's achievements include: AAU Central Region Most Promising Gymnast Award — 1971, 1972, U.S. Junior Olympic All-Around Champion — 1971, 1973, Central Suburban League All-Around Champion — 1973, 1974, 1975, AAU Senior Nationals All-Around, fourth — 1975, District All-Around Champion — 1973, 1974, 1975, Sectional All-Around Champion — 1973, 1974, 1975, Illinois State High Bar Champion-1975, Illinois State All-Around, second — 1973, Champion — 1974, 1975, Illinois State Free — exercise Champion — 1975, Illinois State Parallel Bars Champion — 1973, 1974, 1975, High School All-American — All Events, Niles West Gymnastic Team Most Valuable — 1973, 1974, 1975, Arlington Invitational All-Around Champion — 1974, 1975, High School Invitational All-Around — 1975, 1976. This year's Varsity Wrestling Team placed third in the district. The team boasted two district champions, Bob and Bill Porter at 98 and 105 pounds. B. Martin took third place along with L. Atsavas, and D. Casey placed fourth. The team was lead by undefeated Bill Porter, who set a new school pin record, and co-captains Bob Porter and B. Martin. D. Casey also contributed greatly with 19 wins. The young squad included only four seniors, and Coach Porter believes that with more experience next year's team will improve on this year's 9-9 record.

This year's Sophomore Wrestling Team showed much improvement over last year's freshman team. Coach Richardson was very happy with the team's 11-8 record because of the improvement. The team could have done even better, but they had a small turnout, and had to forfeit the upper weight classes. The team was lead by newcomers R. Milewski, who placed second in conference, and L. Roberts, who posted the best record and placed third in conference. These wrestlers improved throughout the year. Other standout wrestlers were J. Catrone, with 14 pins, and R. Korb.

Best Freshmen Ever

This year's Freshman Wrestling Team, coached by D. Schusteff, was the best freshman team ever at Niles West. The team posted a 9-7 record, and placed fifth out of fifteen teams in the conference. The team included many outstanding wrestlers. Both S. Binder and M. Pollack suffered only one loss, and each was conference champ. P. Mader and B. Sienkowski had only two losses each, with Mader taking second in conference. The team's only real problem was that talent was not spread throughout all the weight classes.

RIGHT: S. Binder cradles his opponent into a match winning pin.

Freshman Win Township Championship

The Sophomore Track Team had a mediocre season, finishing fifth in conference. The team was hampered by the small turnout of athletes. Team leaders were D. Edington and K. Abrams. The Freshman Team had a slow start but then came back to win the Township Championship. The Freshman Team was led by T. Carlson, N. Evaristo, M. Torres, and A. Gulano.

This year's team was very competitive and maintained a positive attitude throughout the season. The team was led by L. Edington, who was Conference Champion in hurdles, M. Medwed, and T. Zoros.

This year's Varsity Swim Team consisted of three seniors, E. Cin, H. Kalter, D. Levey, and one junior, J. Stevens. Because of the team's lack of swimmers it did not fare well in meets. The team, however showed much enthusiasm. The sophomores and freshmen were inexperienced, but swam well in spite of the disadvantages. The J.V. team was led by freshmen R. Daehler, and M. Zanin, and sophomores: J. Benbow, J. Cameron, J. McLean, and G. Robin.

Disappointing Year For Fencers

The boys' Fencing Team has a very disappointing '75-'76 season. Part of the reason for this was a small turnout. Many of last year's team members graduated. Due to the lack of interest, there was no Frosh-Soph team.

There were some bright spots, however. Captain G. Dell, did extremely well, winning 75 percent of his matches and earning a spot in the state finals. S. Lindgren also turned in good scores, winning 60 percent of his matches.

Netters Post Fine Season

This year's Varsity Volleyball Team, under new head coach Judy Kay, had a good year. The team's play was consistant on both offense and defense. The girls also learned many new plays, and stratagies. These factors, plus great team work and spirit led to the team's fine record. The team was led by captain C. Friedman, co-captain G. Rosenthal, and many other talented players. The Junior Varsity Team, coached by Leeann Heeren, had an excellent season also. They posted a record of 9 wins, and 1 loss.

This year the Girls' Gymnastics team had another great season, finishing second in the Central Suburban League. Their winning efforts were backed up by the performances of seniors Sue Kozub and Jackie Cohen, and juniors Jane MacDonald, Chris Putz, Carol Buffo and Karen Dermer. In the league meet Kozub captured all around title and took first in the uneven bars. Cohen placed second in the uneven bars, third in vaulting, and sixth in floor exercise. During this 1975-76 season the team had the largest group of highly skilled freshman they have ever had, according to Coach Judi Sloan.

School Board Plans East Closing

The primary concern of the 1975-76 School Board was to secure the future of the Niles Township schools and the students of the district. Declining enrollment in the district forced the Board into the decision to close East, and the subsequent redistricting of the feeder schools and the decision as to how to phase out East. The Board was also faced with poor legislation from Springfield, as well as contract negotiations, since '76 was the expiration year for the teacher contract.

The counselors also helped with college night and open house.

The Guidance Department provided an effective testing program, job information for students, and an accurate listing of scholarship offers again this year. The newest innovations in the department were outlined schedule changing and demographic data via the computer.

Mr. Frank Fitzpatrick

Once again, the Business Education Department offered many advantages to students seeking jobs upon graduation. It assisted students in math, law, management, shorthand, typwriting, English, and communications. The courses introduced the students to a wide vocabulary of business terms and furthered the skills of reading, writing, and computation.

College-bound students were benefited by learning shorthand and effective notetaking in class. They were also able to earn extra money by using their skills in part-time jobs.

"Genie" comes to the English Dept.

Niles West welcomed two new teachers to the English Department this year. They were Mr. Michael Drumsta, and from Niles North, Ms. Linda Horwitz. A totally new course, Play Directing, taught by Robert Johnson, helped students learn what really goes on when directing a major production. After a summer of hard work, Ms. Graham, Mr. Batts, and Mr. Orr presented "Genie" to the Niles West freshmen. Genie is a computerized method of teaching grammar, vocabulary, and general language arts skills. The program was in a experimental stage this year, but hopefully will be widened to cover a four-year English curriculum.

The cassettes had both culture and language programs and were cited as a great advancement toward individualized learning. Teachers also used the new cassettes for classroom work.

More conversational courses for students who were not college-bound were offered this year. These courses enabled students to learn a foreign language for travel, personal use, or just for fun.

The Media Center continued to be an integral part of the school: librarians served as coordinators for academic departments. They provided resources which were planned in connection with the curriculum. The Media Center also planned other activities such as art exhibits, book displays and film programs.

The Audio Visual Area of the Media Center also provided such services as the processing of films for school programs and providing audio visual equipment. There was also a graphic arts service.

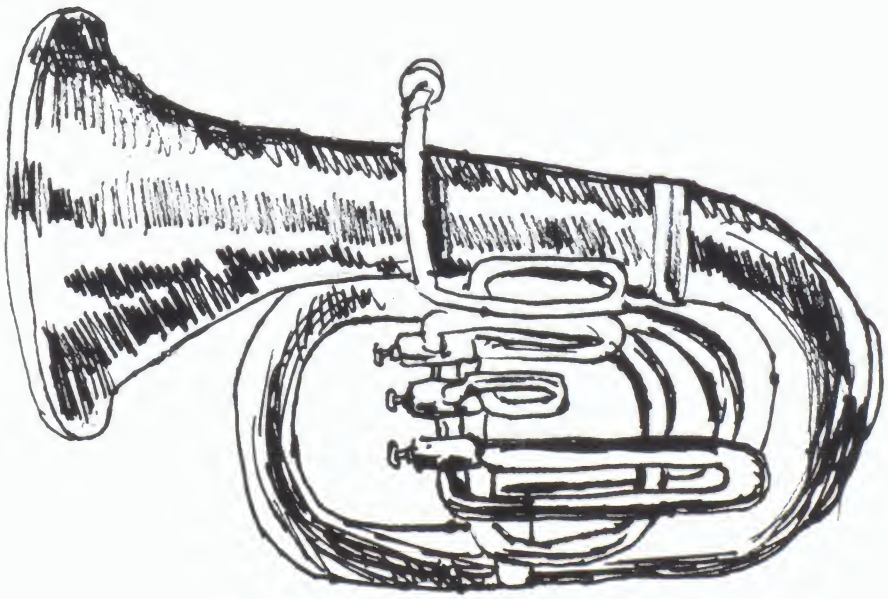
Music Talent On Display

Mr. Ted Kaitchuck

Mr. Hugh McGee



The Music Department this year gave the students at West who were interested in learning a musical instrument or vocal lessons the opportunity of showing their talents in the many recitals. The Department also had several non-performing courses, for the students interested in the study of listening to all styles of music, both contempary and classical. The courses were designed to help students to make listening a more fulfilling experience.

New Change in P.E. Deptments

This year's P.E. program changed a great deal from last year's. The staff was limited and classes were overcrowded. As a result there was less choice of classes in the girls elective program and the boys totally dropped the elective program substituting a fixed program. For girls it made changes which benefitted most girls. One of the things that was different was the grading scale. Girls' P.E. converted to the scale the boys were using so that when the co-ed program was put into effect the grading system would be the same. They used the point system, giving up to 3 points for every day in attendance. Although the P.E. Departments were limited on staff, they tried to bring a few new classes. Girls P.E. brought in more tap and ballet. The Boys Department gave more detailed instruction and used more films to aid such classes as Volleyball and tennis.

Social Studies Goes Bicentennial

This year the Social Studies department joined the country's Bicentennial celebration with two major contests. The first consisted of writing a "Bicentennial Minute" and was open to seniors only. The first place winner, Sharon Weinfeld, received a $50.00 U.S. Savings Bond. The second place winner, Eric Chen, was awarded a $25.00 bond. The second contest was open to all grades and consisted of identifying people, places, and artifacts from United States history. Sophomore Steve Lipschultz won all four weekly contests and became the grand prize winner.

Special Services Aids Students

The Special Services Department continued to provide services for students other than those that could be obtained in the classroom. Students were given valuable psychological as well as physical help. The teaching aids in the reading center effectively supplied reading consultation for teachers and also increased reading ability in students. Once again, the Special Services Department kept Niles West happy, healthy, and secure.

Girls Softball First In League

This year's Varsity Girls Softball team had a tremendous season, placing first in the CSL. Their success was due to the depth of the team, according to Coach Heeren. They were backed up by the strong pitching and catching of Maggie Heinz and Maureen Mostacci, good outfielding, and a good, experienced infield, as well as the strong hitting power of Nancy Dorfman and Jeanne Malone. The team depended on the experience of the seniors this year but there were many promising freshmen on the JV team.

Varsity Lacks Experience

Inexperience was the major reason for the Varsity Baseball Team's average spring. J. Mueller was the only returning starter from last year's state championship team, so there were many new faces in the lineup. The inexperience led to inconsistant play. For example, the team was the only team to beat conference champs Maine West, winning twice. They were also doubley victorious over Public League runner up Roberto Clemente. They ended the season with a 10-10 record however, and placed fourth in conference. The team was led by all-conference players C. Hadjuk and J. Mueller. I. Weiss, M. Jakubik, and D. Schmidt also turned in superb seasons. Juniors B. Segal and P. Speidel both played regularly.

The Sophomore Baseball Team finished the season with an excellent 13-5 record. Their 9-5 conference record placed them second in conference. Coach Schnurr cited hitting as the strongpoint of the team. The overall team batting average was an excellent .291. The pitching greatly improved throughout the season. This improvement showed, as the team won its last seven games. The pitching staff had a combined E.R.A. of 1.29. The staff was led by L. Roberts (6-2), and B. Deleonardis (4-1). There was a plethera of excellent hitters, including, K. Weiser, B. Deleonardis, T. Deters, J. DiBasilio, K. Abrahamson and S. Schneider.

Frosh B Learn Skills

Winning was not the most important aspect of this year's Freshman B Baseball Team. Many of the players lacked the essential baseball skills, such as hitting and pitching. Coach Klebba stressed learning. Each player was given a chance to play, and all responded with enthusiasm and 100% effort. The team was led by K. Tralmer and E. Levey. They finished the spring with a 6-10 record.

The squad took fourth in the conference, which is the best a Niles West tennis team has ever done.

Sophomores Played Hard

The Sophomore Boy's Tennis Team was very strong. Coach Larry Broy said that the boys were cooperative. They worked hard, tried hard, practiced hard, and most of all played hard. The squad was led by freshman Steve Brown, and sophomores Brad Brody and Bob Bloom. The team had four freshmen as starters that will be returning next year.
